

Prep4Success License Agreement

1. Definitions

Licensee: School or individual licensing the Curriculum.

Site: Physical location where Curriculum is authorized to be used.

Curriculum: All digital materials, collectively, delivered by Prep4Success to Licensee, including slide presentations, lesson plans, class projects, student handouts, etc.

2. License

Licensee acknowledges that Curriculum is licensed, not sold, to the Licensee for use only under the specific terms and conditions of this license agreement. If Licensee does not agree to the terms of this License, Licensee may not store, install, modify, extract, or utilize any portion of Curriculum.

3. School License

*If Licensee is a school or school district, Curriculum may be used by Licensee only at a single Site address. The Curriculum, however, may be used by an unlimited number of teachers and in an unlimited number of classrooms within a single school campus. These users may not copy, scan, email, or share the Curriculum outside their school or post it online, including the editable materials.

*If Licensee has more than one location, such as a school district with multiple schools, a separate license must be purchased for each location.

*Curriculum may be used by any enrolled students of Licensee at the Site address.

4. Individual License

*If Licensee is an individual person, Curriculum may be used by Licensee only and in only one classroom per school semester. The Curriculum may not be used by any other teachers or in any other classrooms. The Licensee may not copy, scan, email, or share the Curriculum outside their school or post it online, including the editable materials.

*Individual Licensees may not be reimbursed by employing school, in whole or in part, for cost of Curriculum. If any reimbursement occurs, the reimbursing school shall own license, not the individual.

*Individual Licensee may use Curriculum materials in any school in which they are employed or engaged to teach. However, any former employing schools have no licensing rights and must delete and destroy all copies, printed and digital, of any existing Curriculum materials.

5. Terms of Use

After payment in full is received, Prep4Success grants to Licensee a non-exclusive, non-transferable license to use the Curriculum at the Site. Licensee has the right to print an unlimited number of handouts, projects, and other resources that are part of the Curriculum, for use by teachers and students at the Site. Teachers and administrators (not students) may also use the Curriculum on desktop computers, portable computers, and tablets located away from the Site, if the sole purpose is for preparation of using Curriculum at the Site. The Curriculum may be edited and customized for the Licensee's school. However, the copyright remains with Prep4Success.

Licensee may not remove or alter any logo or copyright information displayed or embedded within the Curriculum materials.

6. Ownership

While Licensee owns the media on which the Curriculum is stored, Licensee acknowledges that Prep4Success retains ownership of the Curriculum itself. Prep4Success reserves any rights not expressly granted to Licensee. The rights granted are limited to Prep4Success's intellectual property rights to use the Curriculum and do not include any other intellectual property rights.
