

PREP4SUCCESS CURRICULUM

Are your students *excited* and *confident* about high school?

Prep4Success Academy offers life and study skills curriculum for students in grades 6 through 10 that equips them for the challenges of high school and beyond. Each lesson is **customizable, biblically integrated and includes student resources and worksheets** – like this one – to put their learning in action. Plus, with school-wide licensing, it's shareable with other professionals on your campus.

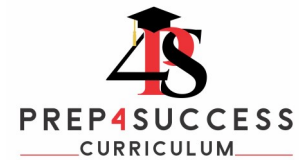

Some of our most popular lessons include:

- Freshman Orientation
- Successful Student Study and Life Skills
- Self-Management
- Digital Footprint Awareness
- Understanding God's Calling: Purposeful Career Exploration

See what's available for your students success at
